VENUE POLICIES

Venue is rented and contracted separately from all of your other vendors. Deposit of \$3000 at contract signing and reserving date nonrefundable but with flexibility to rebook a different available date as needed. Total due 90 days before event.

We have a preferred caterer who will give you a separate quote and contract for your food, bar, rentals, labor, etc. If you have other thoughts on caterers, please discuss with us before booking.

We require and you will be very happy to have a professional wedding planner or coordinator of your choice on site day of event to coordinate for you.

All alcohol must be served by licensed bartenders provided by the caterer, and we do not allow a full open bar as we do not want to have any post event traffic accidents on our beloved island caused by impaired guests.

Music and DJ required to be a professional able to obey King County Noise ordinances which include total stop no later than 10 pm. No live bands after 6 pm.

We are happy to direct you to the best, most reliable vendors for all of your Island needs. Using services familiar with Froggsong will help us help you.
